Founder, World CSR Day

Dear Fellow Indians,

The journey of a thousand miles begins with a single step. The only joy in the world is to begin.

As catalytic agent who works with people in their growth, I realize that the only thing that will stop you from fulfilling your dream is "you".

"I have a dream" - to unite the world through responsible action, to ask corporate citizens of the world to reach out & celebrate the Joy of Giving - with this perspective I want to request the corporate world to unite & celebrate WORLD CSR DAY on 18th February each year.

Please join me in this Movement! Talk about the World CSR day, write about it, and get together to do one act which will make a difference to the world.

Hope Again...!
