## TODAY'S HIGHLIGHTS AT SIEW 2020

- The [Asia Clean Energy Summit](#) opened with a keynote address by Minister of Sustainability and the Environment, Ms Grace Fu, who outlined Singapore's clean energy ambitions in adopting clean energy solutions, and increasing energy efficiency through the development of a circular economy.

Minister Grace Fu also kicked off the [Clean Energy Leaders Dialogue](#). The session featured discussions on how the electrification of energy can accelerate the energy transition and help companies achieve their carbon-free objectives, while creating new employment opportunities in a post-Covid economy. Speakers included Google, Sunseap, and Xcel Energy.

- [Dr. Tan See Leng](#), Minister, Prime Minister's Office, Second Minister, Ministry of Trade and Industry, Second Minister for Manpower, also opened the [6<sup>th</sup> Annual LNG & Hydrogen Gas Markets Asia](#), where he presented the keynote address on driving energy transition towards a low carbon future.

In his keynote speech, Dr. Tan announced the Energy Market Authority's inaugural [Genco Energy Efficiency Grant Call](#), which has awarded three power generation companies — Senoko Energy Pte Ltd, Tuas Power Generation Pte Ltd, and YTL PowerSeraya Pte Ltd — a total of \$23 million to embark on energy efficiency projects that will reduce their carbon emissions.
